USB Min B to Micro B Adapter

The Cables To Go Mini USB to Micro USB 2.0 Adapter allows you to convert your Mini USB cables to Micro USB cables providing a cost effective alternative to having multiple different cables to accommodate different USB connections (Micro/Mini USB). This adapter features Mini USB female (B-type) and a Micro USB male (B-type) connector access.

- Adapt a Mini USB connector to a Micro USB connector
- Supports the USB 2.0 specification
- Data transfer rates up to 480Mbps
- No software required
